SALONI BANSAL

PROFILE

Inclusion, Diversity & Equity (IDE) professional with experience of embedding inclusive practices into organizational culture. Skilled in managing ERGs, curating progressive IDE policies, programs, building strategic roadmaps for disability inclusion, LGBTQ+ community, defense veterans, and intersectional initiatives. Adept at driving cultural transformation, fostering belonging, and ensuring equity of opportunity across diverse communities.

EXPERIENCE

Inclusion, Diversity & Equity | KPMG Global Services

October 2022-Present

- **IDE Strategy & Execution:**
 - Drive execution of IDE strategy aligned to people strategy and business priorities.
 - Lead enterprise-wide IDE initiatives across the talent lifecycle including attraction, hiring, onboarding, engagement, and retention to strengthen workforce diversity and belonging.
 - Provide governance and operational oversight to Employee Resource Groups (ERG), including steering committee engagement and KPI tracking.
 - Lead IDE budget planning & forecasting with structured financial governance.
 - Manage and analyze diverse workforce database; partner with HRBPs and BU leaders to strengthen representation and retention outcomes.
 - Led intersectional initiatives, supporting new parents, neurodivergent colleagues, individuals experiencing menopause and fertility support program.
- **LGBTQ+ & Disability Inclusion**
 - Designed and delivered Pride programs across multiple locations (Bangalore, Gurgaon, Kochi, Kolkata, Hyderabad), driving LGBTQ+ inclusion and allyship through in-person and virtual engagement.
 - Advanced LGBTQ+ inclusion through policy enhancements including transitioning guidelines, gender-affirming healthcare, and insurance coverage for same-sex partners and chosen families.
 - Developed UDID (Unique Disability ID) toolkit and conducted awareness initiatives on tax benefits for Persons with Disabilities (PWD).
 - Introduced "From Trauma to Trust" counselling services in collaboration with EAP partner and strengthened mental health support frameworks for diverse colleagues.

- Introduced a Digital Accessibility Guidebook to enhance inclusive design standards across digital platforms and internal systems.
- Designated as Reasonable Accommodation SPOC, managing end-to-end requests including feasibility assessment, stakeholder alignment, approvals, and implementation.
- **Learning, Capability & Culture Transformation**
 - Designed learning modules supporting transitioning defence veterans, second-career women, and broader IDE capability building.
 - Delivered sensitization workshops and inclusive leadership trainings for managers, peers, and senior leaders.
 - Led intersectional initiatives supporting new parents, neurodivergent colleagues, and individuals navigating menopause.
 - Partnered with IT, Admin, and Facilities teams to improve accessible and disability-friendly infrastructure across office locations.
- **Benchmarking, External Positioning & Governance**
 - Coordinated inputs for industry benchmarking and award submissions (IWEI, Avtar, Brandon Hall, ASSOCHAM), strengthening employer brand positioning.
 - Conducted competitor and market benchmarking to translate IDE best practices into internal program enhancements.
 - Managed vendor empanelment and renewals in collaboration with HRSS, ensuring compliance, governance, and cost optimization.
 - Collaborated with CSR teams to extend inclusion beyond the workplace, including diverse supplier engagement and partnerships with social enterprises.
- **Employee Listening & Insights**
 - Led GPS (Global People Survey) and feedback survey analysis through a DEI lens; identified inclusion trends and engagement gaps.
 - Translated insights into structured recommendations for senior leadership.
 - Supported diversity metrics tracking across hiring, promotion, attrition, and engagement.

Freelancing

June 2022- September 2022

- Hired for IT and non-IT roles across industries
- Explored Web 3.0 and worked on tools for creating 3D experience for various business applications like candidate onboarding, employee training etc.
