PROFESSIONAL EXPERIENCE

Senior Inclusion, Diversity & Equity Specialist | KPMG Global Services

October 2022 – Present

- **Strategy & Operationalization**
 - Drove enterprise-wide IDE strategy execution aligned to people strategy and business priorities, translating global goals into locally actionable India programs.
 - Partnered with HRBPs, BU leaders, and senior stakeholders to embed inclusive practices across the full talent lifecycle including attraction, hiring, onboarding, engagement, and retention.
 - Built and managed IDE governance frameworks including steering committee engagement, KPI scorecards, and structured reporting to leadership.
 - Managed diversity metrics database; delivered data-informed insights on hiring, promotion, attrition, and engagement to guide leadership decisions.
 - Coordinated IDE budget planning and financial governance, optimizing cost structures while maximizing program impact.
- **ERG Governance & Transformation**
 - Provided operational oversight to Employee Resource Groups (ERGs), redesigning them into business-aligned platforms with defined governance, KPIs, and measurable outcomes.
 - Engaged senior leaders and business D&I champions to co-create ERG priorities and annual working plans.
- **Inclusive Experiences — LGBTQ+, Disability & Intersectional Initiatives**
 - Designed and delivered Pride programs across 5 locations (Bangalore, Gurgaon, Kochi, Kolkata, Hyderabad) driving LGBTQ+ allyship via in-person and virtual engagement.
 - Advanced LGBTQ+ inclusion through policy enhancements: transitioning guidelines, gender-affirming healthcare, and insurance coverage for same-sex partners and chosen families.
 - Developed UDID toolkit and disability inclusion awareness initiatives; served as Reasonable Accommodation SPOC managing end-to-end requests.
 - Led intersectional programs supporting new parents, neurodivergent colleagues, individuals experiencing menopause, and those accessing fertility support.
 - Introduced Digital Accessibility Guidebook and partnered with IT/Admin teams to improve disability-friendly infrastructure across offices.
- **Leadership Development & Capability Building**
 - Designed and delivered learning modules for transitioning defence veterans, second-career women returnees, and diverse talent cohorts.

- Facilitated inclusive sensitization workshops and behavioural change trainings for managers, senior leaders, and cross-functional peers.
- Collaborated with L&D teams to build inclusive team effectiveness toolkits and manager playbooks for embedding inclusion into everyday leadership behaviours.
- **Employee Listening, Analytics & Insights**
 - Led GPS (Global People Survey) analysis through a DEI lens; identified inclusion trends, engagement gaps, and translated insights into structured recommendations for senior leadership.
 - Used talent analytics to support data-driven decision making on hiring, promotion, retention, and belonging outcomes.
- **External Positioning & Benchmarking**
 - Coordinated industry benchmarking and award submissions (IWEI, Avtar, Brandon Hall, ASSOCHAM), strengthening employer brand and market positioning.
 - Conducted competitor and market intelligence research to translate IDE best practices into program enhancements.
 - Collaborated with CSR teams to extend inclusion beyond the workplace through diverse supplier engagement and social enterprise partnerships.
